alike was conceived to be instinct with life.

Refer to Embryological Analogies in Presocratic Cosmogony by H.C. Baldry

Aristotle in the De Anima says that Thales seemed to have identified soul or life (psyche) with the cause of motion. He said that the lodestone has a soul because it makes the iron move.

Final Must Read Resources on Thales

1. Thales of Miletus: The Beginnings of Western Science and Philosophy — Patricia F. O'Grady
2. A History of Greek Mathematics, Vol 1 — T.L. Heath
3. Heaven and Earth in Ancient Greek Cosmology: From Thales to Heraclides Ponticus — Dirk L. Couprie.

4. Thales and the Stars — Stephen White

5. Thales and the Origin of Theoretical Reasoning —

People Who Are Crazy Enough To Think They Can Change The World, Are The Ones Who Do. — Rob Siltanen
